

Decorations, Awards, Honorary Shields and Certificates

Copious rewards for innovative initiatives and beneficial deeds

Since 1960s, Dr. Talall Abu-Ghazaleh's practical life has been characterized by a continuum series of visions and options. He is the founder and president of the largest professional group in the Arab world, and a mission-oriented figure who employed it to serve the Arab world economic and social development and improvement. This introduced duties and responsibilities that he found himself determinedly committed to fulfill through launching plenteous initiatives intended for serving his nation and Arab countries where he exerted unremitting efforts in various professional fields, particularly focusing on youths capacity building and rehabilitation. Moreover, he spared no effort to further deepen the concept and tools of knowledge and establish knowledge communities, and on top developing the professional services in the Arab world to match their counterparts in the developed world.

In recognition of his initiatives and beneficial deeds, Dr. Abu-Ghazaleh received and indeed deserved copious decorations, awards, honorary degrees, honorary shields and memorial gifts that could be summed up as follows:
